From traditions to emotions,
everything blooms beautifully today

With love in our hearts.
we welcome this beautiful union

Love brought them together forever will keep them strong

Blessed
by elders,
bonded by love

Two hearts,
guided by
traditions and love

Together as one, stronger with family

This moment. this ring. This love... forever

A promise made, with blessings from both side

A graceful ceremony filled with flowers and family love

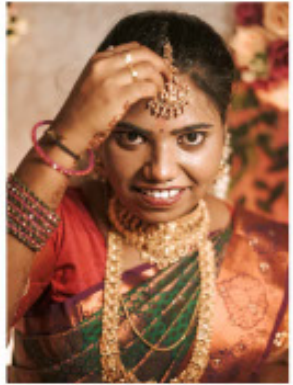

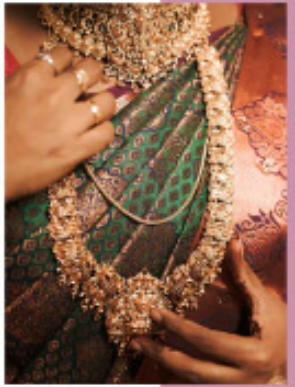

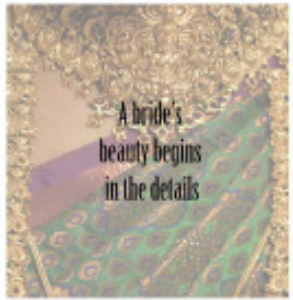

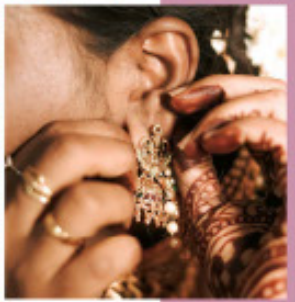

Sealed with love,
adorned with forever.

No matter where life takes us,
As long as it's with you, It feels like the perfect place.

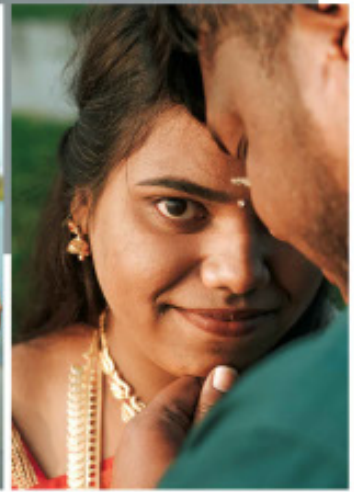

Every path feels beautiful
When I'm walking it with you.
